

Lea

Living area: 2~30 m²

Lea air cooler has as many as 8 fan speeds to choose from - the fastest generating a sound level of just 55 dB. Lea can lower the room temperature with 3-4 degrees in spaces with open windows and doors. The air cooler lowers the temperature through the natural process of evaporation of water. The cooled air is recirculated to the room through oscillation that creates the feeling of a natural cooling breeze. Lea is equipped with a large honeycomb cooling media for optimal cooling effect.

Lea's Special Talents

- 8 fan speeds
- Natural cooling
- Lowers the room temperature by 3-4 degrees
- Cooled air is recirculated through swinging slants
- Cool down rooms with open windows/doors
- Touch screen control panel with remote
- Timer 12 hour
- Detachable water tank
- Washable air filter

Lea's Specifications		
Art. No.		2512
Recommended working area m ²		2-30
Max. Air Flow m ³ /h		1000
Fan Speeds		8
Fan Speed RPM		1057/955/812/751/644/522/446/414
Power (Fan speed in operation) W		130/106/89/84/58/46/41/40
Power supply V/Hz		220-240/50
Timer h		12
Water Tank L		12
Operating temperature °C		5~35
Max. Noise Level dB(A)		55
Filter		-
Net Weight kg		9.8
Gross Weight kg		11.8
Product Size (WDH) mm		380x300x900
Packing Size (WDH) mm		428x338x930
Loading Quantity	20' GP pcs	
	40' GP pcs	
	40' HQ pcs	450
EAN		5704841025127
